## St. Mary Fence Campaign

St. Mary Parish invites you to commemorate your families and friends.

The St. Mary Fence Campaign offers you the opportunity to purchase and name a 7-foot section of the new St. Mary Parish fence. Brass plaques on each section of the fence commemorate donors, family and loved ones. The fence is constructed of powder-coated aluminum and will surround the entire St. Mary Campus.

Phase I is complete and surrounds the front of St. Mary's Sisters of Mercy Building. Phase II is now underway.

### Purchase and name your section.

Prices are \$550 for a 7-foot fence panels and \$650 for a 5-foot gate.

St. Mary Parish is part of the Old Dauphin Way Historic District. The St. Mary Fence Campaign will provide additional safety for the children and guests of St. Mary's, add to the beautification of the District, the Parish and is part of the ongoing restoration of St. Mary Campus.
